The image shows the interior of a vehicle with tan, tufted leather-like upholstery. A silver-framed rectangular evaporator unit is mounted on the wall. Above and below the unit are black rectangular air vents. Below the evaporator is a metal box with a diamond-plate pattern and three circular vents on top. A white text box is overlaid on the left side of the image.

**Wall mount
Evaporator,
when unit reaches
desired temp, the
fan speed drops
to low, then steps
up again when
temp rises 2 deg
